ORDER BLANK AND PRICE LIST

HONOLULU SEED COMPANY

755 KAPIOLANI BLVD. • HONOLULU 42

ALL PRICES LISTED HEREIN ARE SUBJECT TO CHANGE WITHOUT NOTICE

Our last price list, issued September 1944, carried a discount for growers, institutions, Army and Navy. This method of figuring prices caused considerable confusion especially where growers would forward cash with their orders. We have therefore discontinued this practice and all prices herein are net—in other words, there is one price to all, a lower price.

New crop vegetable seeds have been late this year and we have been out of many items. However all new fresh stocks have been received and we will be pleased to take care of your orders in a most careful manner.

Late and unusual rains in California, the first experienced in forty years, destroyed a large portion of the flower seed crops. Many of our growers are only supplying 10% on our orders. We are trying to maintain stocks of all flower seeds but have been compelled to withdraw all prices. We have a goodly supply of packets however and can take care of most any of the popular varieties.

As usual, our vegetable and flower seeds have been carefully selected in an endeavor to supply only those varieties and types which do well in the Islands. Remember our slogan:

"Selected Seeds for Hawaii's Needs!"
